"Quadwranglers will, however, definitely be back next week," assured Mrs. Patricia K. Allen, instructor of sociology and one of 10 members of the committee assembled to provide interesting, qualified speakers to discuss controversial topics every Thursday at 11 a.m. in the Quad.

Valley a Mrs. Allen is presently trying to obtain a speaker who is either in support or not in support of Adam Clayton Powell. If she succeeds, one viewpoint will be presented next Thursday and the opposing voice will be heard the following week.

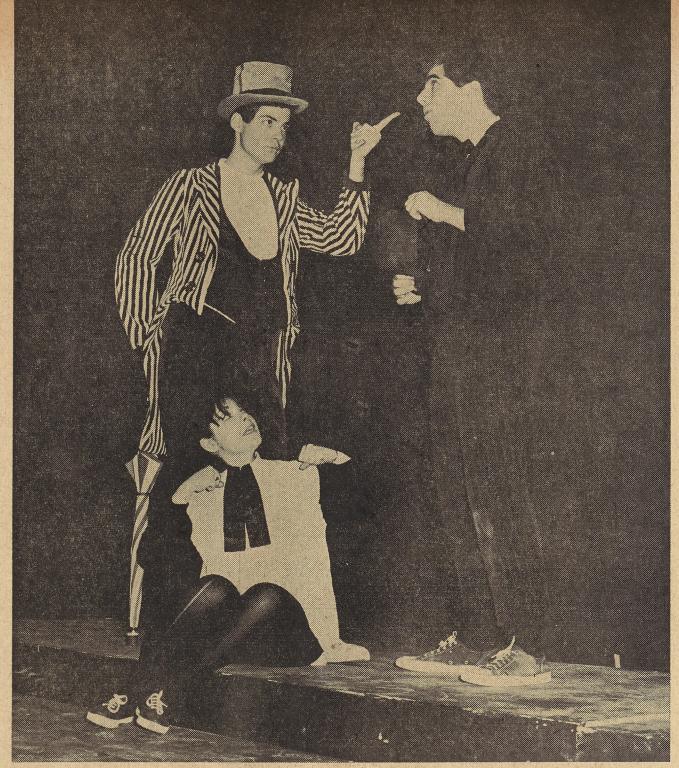

> Mrs. Allen is also attempting to recruit Elliot Mintz to speak on the rebellion of youth. Mintz has a question-answer program on radio sta-

According to Dr. Arnold C. Fletcher, associate professor of history, speakers are not hard to contact, but because they are giving voluntarily of their free time, no definite contract can be made. Cancellations are therefore frequent.

A meeting in the conference room of H121 among the members of committee will be held this morning at 11 to lay the groundwork for future Quadwranglers.

"Interested students with suggestions for speakers will be more than welcome," added Mrs. Allen. "Increased participation by the students will be greatly appreciated."

Other members of the committee are Solomon Modell, instructor of history; Philip S. Clarke, associate professor of mathematics; Dr. Esther R. Davis, associate professor of journalism; Cyrus Kirshner, associate professor of Engineering; Gerry Huyregts, Associated Students president; Mary Vaughan, commissioner of fine arts on the executive council; William Lewis, dean of students; Ruby E. Zuver, coordinator of student activities; and Dr. Fletcher.

## Theatre Arts Play Premieres Tonight

By DONNA CHICK Asst. City Editor

Anthony Newley and Leslie Bricusse, two talented Englishmen, have combined their literary and musical talents to write "The Roar of Greasepaint. The Smell of the Crowd."

This semester in the Theater Arts Department, Ernest P. Mauk Jr., assistant professor of theater arts, is combining his directing talent with the acting abilities of the students to present "The Roar of the Greasepaint. The Smell of the Crowd."

The play opens tonight at 8:30 in the Little Theater and runs for three weeks. Admission is free with an I.D. card or \$1 per ticket. Reservations can be made by calling 781-1200. It will be presented tomorrow and Saturday and again March 9-11 and

Newley is noted for his allegoristic productions. His other play, "Stop the World: I Want to Get Off," presented last year by the Theater Arts Department, lies relatively in the same vein of symbolism as "Greasepaint." Both plays stress the problems of man, utilize the mime aspect of daily tribulations and present the final product of man's individualism.

Patrick Riley, instructor of theater arts, is in charge of make-up; Charles Q. Vasser, instructor of theater arts, is the technical director; Thrim Paulsen designed the sets; Parker Young, a Valley student, is in charge of musical direction: Dwight Drew, also a student, did the choreography; and Toria Gee and Marilyn Weiss are in charge of the cos-

"The cast was chosen for a combination of acting and singing ability," said Mauk. "Neither of the two male leads has ever starred in a major pro-

Robin Bach, represents the aristocratic ruling class of the world. On Winckler, France; Stephanie Dubov, the opposing side, Cocky represents the bewildered, rejected failure of the plebian society system. Kid, played by Paula Levine, represents the henchman, or a sort of Girl Friday working for Sir. She is supported by his great power and is required to do his untidy tasks. All the while she is carrying out her work she smiles and jokes. Dream Girl is played by Linda Bennett. She is the perfect female neck. He's been in a neck brace all image, the ethereal beauty seen in

most men's dreams. Hector Moreno is cast as the Negro, representing another symbol of life, who shows Cocky how to win the power from Sir. The supporting cast is Bill Tepper, who plays Bully, and a cast of Urchins representing the different parts of the world. Jan Cic

### LETTERS

Letters may be mailed to the Valley Star, 5800 Fulton Ave., Van Nuys, California, or may be presented in person in the Valley Star offices, Business-Journalism 114.

Students, faculty members and citizens of the community are invited to comment in print in the Valley Star. Letters should be typewritten, double-spaced and must be signed.

Names will be withheld upon request. The Valley Star welcomes readers' contributions, criticisms and opinions. Letters should be limited to 250

words and may be shortened with respect to technical limitations by the

The deadline for "Letters to the Editor" to be printed in the letters column is Monday at noon for publication the following Thursday.

Sir, the one male lead, played by represents Germany; Deanna Reavill, America; Stef Salem, Russia; Cathy Scotland: Cristy Beal, England: and Abby Farer Peru

Also cast as special understudy, Marty Sokup filled in for every part some time during the rehearsals. "We began rehearsals before Christmas vacation," said Mauk, "and at one time or another every cast member was ill. Marty filled in every time. Then last week he fell and hurt his

By walking past the Little Theater about 9 p.m. on production nights, one is likely to smell the greasepaint and hear the roar of the crowd.

## Valley Star To Circulate Off Campus

Adding another first to its records, the Valley Star goes off campus for community circulation today. One hundred fifty papers will be distributed at three locations.

The purpose, according to Roger Pondel, editor, is "to identify ourselves more with the community. We also hope to involve the community

more with Valley. "We hope we will get reactions through letters and other communications. We are the first college newspaper in California to be placed on public newsstands. The paper is free

to all those interested in reading it." The stands are located at 7225 Woodman Ave., Van Nuys; 13333 Riverside Dr., Sherman Oaks; and the southeast corner of Bellingham Ave. and Laurel Canyon Blvd., North

The measure to go off campus was approved by Executive Council on Tuesday, Feb. 21. Tom Brady, commissioner of public relations, made the motion, which passed 12-2-0.

Brady stated, "I think it's a good idea. It will help the public know what Valley does. It will let them know of speakers, plays and other events on the campus which are free Thursday, March 2, 1967 or of minimal cost to them.'

Van Nuys, California

## Broadcaster Talks of

Ruth Ashton, one of the few women new broadcasters in the U.S., will speak on "Women's Role in Radio and TV" Tuesday at 11

Miss Ashton is the first news anchorwoman on Los Angeles

## Lost and Found Helps All Who Lose and Find

Anyone lose their shoes, an earring or perhaps their heads during last semester's finals? Well, chances are that most of these items are to be found in a small south-end niche of the Administration Bldg., appropri-

ately named the Information Counter.

But it really is an undercover for Valley College's lost and found cen-

Headed for the past six years by Information Clerk Mrs. Julia Pope, the lost and found is residence for a diverse conglomeration of turned-in

Among the many goodies temporarily being stored there now are an attache case and a book assortment of various sizes and subjects.

Shoes, gym clothes, contact lenses, scarves, sweaters and pipes are but a few examples eventually finding their

way to the lost and found. Mrs. Pope also said that there were "keys galore." "These are turned over to the maintenance office with other valuables for disposition if they

are not claimed," she said. Mrs. Pope went on to explain that wayward wallets find their owners through the identification usually in them. "We trace the owners through the school or call them," she said.

Commenting on the end-of-thesemester left-overs, Mrs. Pope said that "It's surprising to think that people don't pick up their things."

She went on to say that paper backs are thrown away. Other books are given to department heads to distribute during the new semester to the unlucky students who will lose

Female Role in News a.m. in BSc100 as part of the Occupational Exploration Series.

television with the KNXT Saturday News with Ruth Ashton. She began her professional career with CBS newsman Robert Trout and was producer and reporter of the network news program "Feature Story" for two years. She has worked with the late Edward R. Murrow and was the only woman in the original CBS documentary unit.

> Working on her own, she interviewed Dr. Linus Pauling, Dr. J. R. Oppenheimer and Dr. Albert Einstein for a documentary on the peaceful uses of the atom. The result was the "Sunny Side of the Atom," which was included in an anthology of the best one-act plays of 1947.

She joinned the staff of KNX radio as assistant director of public affairs in 1949. In 1951, she launched the Ruth Ashton News Program on KNX. She served for two years as the editor of publications for Claremont colleges. She joined the news staff of KNXT television in May of 1966.

Miss Ashton's penetrating and analytical reports have earned her a "Golden Mike" award from the California Radio and Television News Club. She is the only woman ever to be given this award.

## **Creative Prints** Go Up for Sale

Created last year to augment the variety and scope of classes offered by the Art Department, the art printing class will celebrate its first anniversary by offering for sale some of the unusual and professional quality works made by students Monday, March 6 in the Art Gallery.

Student creations for sale include such art techniques as woodblocks, collographs, linocuts, etchings, lithographs and serigraphs

Miss Judith Von Euer, printing instructor, said that the proceeds from The Information Counter (lost and ) sales will be used to buy equipment found) is open from 7:30 a.m. to for the print shop and invited the public to the free showing.

AROUND THE WORLD-The International Club, displaying foods from far and near, and a baby Australian kangaroo, received the first place award in last week's Club Day festivities. Thirty-nine clubs participated in the semi-annual event, recruiting new members, with various displays of entertainment.

## College News Briefs

### Bloodmobile on Campus Today

The bloodmobile is on campus today from 9 a.m. to 2 p.m. in the Cafeteria Conference Room. Students are urged by William Lewis, dean of students, to donate blood. This will insure coverage for the entire family in case of need.

### Roundtable Features 'Grades'

"Are Grades Necessary?" will be the topic of the Student-Faculty Roundtable to be held Friday at noon in the Cafeteria Conference Room. Speaking on the subject will be Morton A. Tenenbaum, English instructor.

### Chester Jur Gives Lecture

Chester Jur of the Physics and Electronics Departments will lecture on "Opiate of the Egghead: Science Fiction" this morning at 11 in BSc 101. The lecture, which had previously been postponed, is sponsored by the English Seminar Committee. They are inviting both students and faculty to attend.

## International Organization Bestowed with First Place

The International Club took first were many different exhibits, games place as the best exhibit at Club Day, announced Barbara O'Connor, Club Day chairman, at the Inter-Organization Council meeting Tuesday morning.

Second through fifth places were the Spanish Club, German Club, VABS and the Student Nurses Club.

Judging the club exhibits were Allen C. Keller, assistant dean of students and adviser to the Inter-Organization Council; Miss O'Connor; William Gray, IOC chairman; and two faculty members, Miss M. Lorraine Eckardt and Samuel Mayo.

The club displays were judged on originality, club participation, quality and appropriateness, which includes explaining the club's activities

Each judge was given a rating sheet with a possibility of 20 points per club per judge. With five judges the maximum number of points a club could receive was 100.

### Kangaroo Displayed

First place International Club served different foods from around the world. They also had a baby kangaroo on display.

With 39 clubs participating, there

entertainment and refreshments.

For example, the Microwaves Club held a dance contest and the winners received a free record album. They also had drawings for 10 top records.

Latter-Day Saints Club held a pieeating contest and the winner received \$5 along with a belly full of chocolate cream pie.

The different language clubs had displays with their club members dressed in the costumes of the native country of the language. The Spanish Club also had a flamenco dancer and a pinata breaking contest

Demonstrating their services to the school, Coronets gave free shoe shines to interested students except those wearing tennis shoes.

Club Shows Wares

The Rifle and Pistol Club displayed models of many rifles and pistols in an effort to get students interested

There were many other exhibits, all with the purpose of promoting their club and recruiting members.

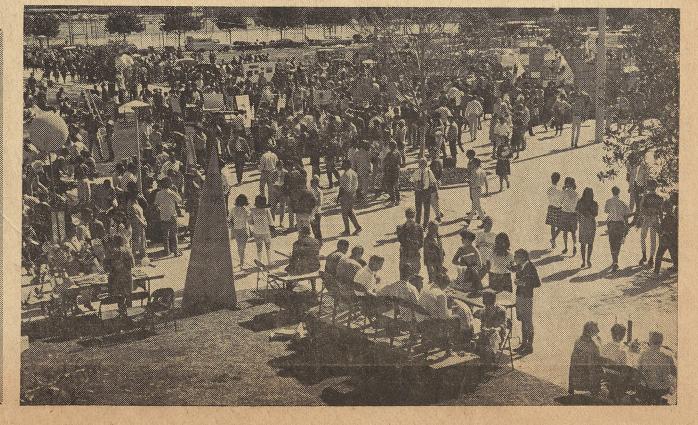

William Gray, IOC chairman, said, 'All clubs, including the new clubs, did an excellent job with their displays and this made the judging

## First Forum Begins Monday

in the "provocative" topics of the day are invited to attend Monday's Student Forum.

The Forum, held for the first time this week, is to be a weekly event in which students are invited to participate. This student orientated session, sponsored by the Speech Club, will be held on Mondays at noon in the grass area at the south end of

Valley College students interested the cafeteria near Monarch Square. Next week's speaker, Jim Schaible a member of the speech class, will speak on the subject, "Alienation in America." Schaible will discuss how he feels over the institutionalization in America has become more important than the individual, by represening the idea that many problems of society have their roots in aliena-

## Colleges Need Separate Board

six Los Angeles junior colleges have called for a separate board of education and sug- represented equally. gested that a college board be completely separated from the Unified District.

Realizing that any change would take a considerable amount of time for transition and wishing not to disrupt the calm, the presidents have recommended an organization for the transition.

Los Angeles' junior college district is one of the largest systems of higher education in the nation, yet it is represented on the organizational level equal only to that of the elementary and secondary education according to the report issued by the presidents. They felt that in the present situation the Board of Education should meet at least once a month to discuss junior college and only junior college matters. This would take place until a complete transition to the separate junior college board has taken place.

All of the high schools in the Los Angeles Unifled School District contribute to the enrollment of the junior colleges. Being in the district they have a channel through which to communicate with the Board. There are, however, 12 high schools not in the Unified District, that do send students to the Los Angeles junior colleges. Those schools are Agoura, Alhambra, Bell Gardens, Beverly Hills, Burbank, Burroughs, Culver City, Mark Keppel, Montebello, Palos Verdes, San Gabriel and Rolling Hills.

dependent unified district they have no line schools.

Because they feel that all of their students of communication with the Los Angeles junand high schools contributing to the student ior college district and, therefore, have no population in the junior colleges are entitled say in decisions regarding the junior colleges to equal representation, the presidents of the in their areas. In the reccommendation of a separate board, all high schools would be

> The administrator responsible for the junior college is outranked by junior college officials over which he has no control. Under the recommended transition organization a chief administrator for the junior colleges would be appointed and would then govern and deal with only junior college matters.

> Under the present system budget requests are made and approved for junior college purposes, budget appropriations are requested and allocations made without approval of the chief administrator of the junior colleges. Among the principles in the presidents' report a separate budget showing all requests for appropriations for junior college purposes approved by the junior college chief administrator is suggested.

> Among other principles suggested are a policy affecting the junior colleges with the approval of the chief administrator and an effort to avoid establishing activities and appropriations involving junior college and non-junior college activities.

The future of the junior college system in Los Angeles is optimistic, not only for higher vocational training and a generalized transfer program, but it is also recognized as a most important and integral part of California's Master Plan for Education. Because of this, the presidents of the six junior colleges do not feel that the junior colleges should be considered on the same basis Because these schools have their own in- as the district's elementary and secondary —GENE KINDRED

Student Remarks on Reused Exams Editor, the Star:

It has recently come to my attention in a rather forceable manner that several faculty members have neglected to change their examinations in the past couple of years. This situation, as can be expected, has developed into a campus-wide circulation of test keys.

The blame for this disgusting situation lies not only with the students but with the faculty members as well. By not changing his tests, the professor is virtually inviting a situation like this, and he is doing nothing to deter it.

I feel that some effort should be made compelling such procastinating professors into revising their exams at regular intervals-viz., every se-

## Housekeeping: AMS Helps a Lady in Need

By ROGER PONDEL Editor

Creaky floors, almost completely covered with bird seed, dirt, and broken, dusty furniture, within the confines of a two bedroom house at 6057 Morella St., No. Hollywood, was the location Saturday for the Associated Men Students work day project.

Mrs. Aleta Stuart, 65, is suffering from a respiratory disease. She cannot work, and lives almost entirely on welfare. She resides with 200 birds some of which are not even in cages. For the past two years, her sickness was so acute that she could not tend

"I could not afford hospitals," she said, "so I stayed home and tried to take care of myself. The birds multiplied quickly and about all I could do was feed them. They need exercise and cannot be caged up all the time."

Gradually, seeds and other materials were spread throughout the house. Hundreds of newspapers and magazines with "useful articles on knitting and politics" are in the living room and bedrooms. Scorched pots and pans line the kitchen, along

with broken, rusted bird cages. "There's no hot water," said Mrs. Stuart, "because the tank is broken. When I want to clean I either use cold water, or heat some on the stove."

There is electricity, however, and aside from the dirt and grime, that's about all. The house is virtually in shambles, and when Mrs. Stuart applied for a new loan she was told to get it cleaned up.

It all began several months ago, with the foreclosure of her mortgage loan by a local savings and loan association. Mrs. Stuart went to Congressman Ed Reinecke for help, and was in turn referred to the Federal Housing Administration. Bernard Worth from the FHA is handling

"We're in the midst of trying to secure a new loan for Mrs. Stuart," said Worth. "It will probably take another week or two before we get the final results."

In the interim, Valley College President William McNelis was called by Reinecke. He asked McNelis if there was any organization on campus that might be interested in helping Mrs. Stuart as a community service project.

The Associated Men Students was approached, and they accepted. Ted Thompson, AMS president, and about 10 other persons arrived at the Morella Street melee at 10:30 Saturday

public relations and campus improve-

with a teacher, student or someone from off campus, the first impression of B26 is that the people therein are slobs. And consequently the job done

"Take a look around the office," asked Associated Students President Gerry Huybregts, "and tell me what

I WALKED about the complex of rooms and saw coats and jackets hung over backs of chairs. There were numerous copies of the Valley Star strewn all over. Books and brief cases were scattered on tables, and what seemed to be used scratch paper lay on nearly every desk.

Empty coffee cups and filled ash trays were plentiful. People, some of whom are not even on Council, were loitering, laughing loudly, and disturbing those who were working. Two were sitting on table tops instead of chairs, and another was sitting in a chair, however, with his feet on a table top. One girl was combing her hair, utilizing a paper towel holder as a mirror, and another was standing in a far corner kissing her boy friend.

The so-called "higher echelon" of Valley students are these people. From the appearance of things, however, it seems more valid to classify them in the lower ranks. Their achomes, where, in turn, the disorderliness reverts back to their minds. True characters are revealed and no progress is made

STUDENTS at Valley College are for the most part carefree. There are no strict dress regulations, and no rigid administrative conduct rules. This leniency should not be abused. Bungalow 26 is run by the students, and its appearance can be compared to that of a home where the parents are on a month's vacation and the children take over

It is unfortunate that the conscientious ones must suffer from the immaturity of others. In most walks of life this is always the case. But in the matter of cleanliness it should not have to be brought up at all.

The Executive Council offices are state colleges, faculty members are places of business. They should be required to earn a Ph.D. degree withkept orderly at all times and devoid in five years and since they are hired of leisure activities. Surroundings reon an annual basis, each year their flect personalities. There is still time to repair the poor image thus far exhibited to the student booy and the public. Let's hope the repair work

Club Editor

Sororities and fraternities, which are not legal on campus, are, as they have been in the past, a constant topic of discussion. Students, over the semesters at Valley, have shown these organizations on campus.

The controversial topic brings one question to mind: "Do the different sororities and fraternities want to be a part of Valley College?"

If so, they would, like all other clubs on campus, be under the direction of college administration. They would have to comply with the same rules and regulations governing all other clubs and their activities.

Unfortunately, I doubt whether the different sororities and fraternities would want to adopt all of the rules.

For example, all clubs regulate their money through the college business office. All money used for whatever reason can only be withdrawn with the approval of the club sponsor and president or treasurer. Every expenditure is recorded. This, of course, would put a damper on any money to be spent against college regulations.

Another rule which may not fit in with sororities and fraternities is the college requirement that all clubs be under the direction of a sponsor who is present at all meetings and all dub activities.

Probably the rule which might cause the most conflict is the one which forbids the use of alcoholic beverages at any club activity. This is only a two-year college and school officials are aware that most of the day students are under the age of 21.

These examples of rules do not mean to say that sororities and fraternities do not or could not comply, but question whether they would they want to?

Another important aspect of all clubs at Valley is that they provide, among other activities, some educational learning, whether it be in the promotion of a sport, language or eligion. Sororities and fraternities

## Scholarship Given in Art

Deadline to file for Valley's only st scholarship, the \$50 Mrs. Henrietta Field Art Scholarship, is

Applications may be picked up in Ad102, the Library and B24 and should be handed over to Dr. Aura-Lee Ageton, scholarship program secretary, in Ad102 before the dead-

Last semester's winner of the Field scholarship was Karl Welland, who is now attending the Art Center School. Recipient of the \$50 scholarship will be chosen by Mrs. Zella Marggraf, chairman of the scholarship committee, and a three-member

committee consisting of Miss Harriet Baker, associate professor of art; Miss Judith Von Euer, instructor of art; and Mrs. Dorothy Lash, instructor of art. Competition will be based on an art portfolio and other works submitted to the committee.

Presentation of the scholarship will be made at the Scholarship Awards Banquet on May 26.

Mrs. Field, a Valley College alumna, first started giving the scholarship in 1963 because of her appreciation of the Art Department.

While attending Valley, Mrs. Field was a member of the scholarship society and a hostess at the Dean's Tea. She now travels extensively on the European continent.

Valley clubs are toward the promotion of an educational objective.

It is easy to criticize and complain about the rules and regulations, especially those concerned with clubs. The college, though, was not built an interest in regard to bringing around clubs. They are only the privilege of an extra-curricular activity. They have standards and rules, and this might be the reason why sororities and fraternities are not a part of Valley College.

Clubs Activate

The Sailing Club will discuss its activities and the first sailing event at the meeting on Thursday at 11 a.m. in E107. There will also be election of officers.

The Ski Club will participate in the second annual Park City Easter trip to be held from March 19 through 25. On March the club will have an inter-collegian party with Pierce. Admission will be free to members, and a \$2 charge for guests.

The first flying activity of the newly formed Valley College Flying Club was held last Sunday. The club members flew to Ontario International Airport to see the antique and World War II aircraft at the Air Museum. The Flying Club meetings are held every Thursday at 11 a.m. in MS113. Everyone interested in aviation is invited to attend.

## Math Talk DueToday

thority of mathematics, will present a.m. today in P100.

of the Math Department at Cal State L.A., has had material published in pure and applied science. He has a Ph.D. from Cal Tech and has taught high school math.

"He has a definite opinion of the new math movement and is not afraid to express it," said Charles B. Kinzek, assistant professor of mathematics and chairman of the Valley Math Department. "Dr. Diamond is refuted to be one of the most interesting and witty speakers on the sub-

The approach to the subject which Dr. Diamond takes is one that makes the new math easy for anyone to understand. People with "no math Jim Schaible, sophomore and coentation," added Richard M. Zucker, instructor of mathematics.

"Dr. Diamond is entertaining, and an excellent public speaker. He's quite a crowd pleaser.

"This is a rare opportunity for Valley students to acquire an understanding of the new math—especially those with no understanding of it."

RECEIVE HONOR—Winners of the annual Bank of Dvorak, secretarial science major, and William L. America award are congratulated by (left) College Gray, Associated Students vice-president, will be President William McNelis and (second from right) awarded with \$300 and a certificate of merit. Both William Stewart, vice-president of the Panorama are members of Tau Epsilon-Les Savants, the all-

Ralph C. Tayloe, chairman of the Business and Secretarial Science Selection Committee. On Dean's List

vice-president of Associated Students,

will be the recipients of a Bank of

America Junior College Business

Miss Dvorak has completed 471/2 units on the Valley campus with a B-plus average. She was on the Dean's List in the Spring of '65, serves the Business Department as a laboratory worker, helped on the Bulletin Board during National Secretaries Week and is president of Alpha Pi Epsilon, the secretarial science scholastic honorary society. She is also a member of Tau Alpha Epsilon-Les Savants, the all-college scholarship honor societies.

Concerning her future goals, Miss

that day. He was graciously thanked

"I don't know whether she's an ec-

centric or not," replied Mrs. Greg

Sanders, a next-door neighbor. "We

have a big wall separating our houses,

and that's the way I like it. About the

only thing I really know concerning

Mrs. Stuart, is that she seems to be

an extremely law abiding individual.

If there's an illegally parked car in

the neighborhood or a dangerous

overhanging tree, Mrs. Stuart is sure

to notice it and try to see that it

The walls are a bit cleaner, and some

the forum 6340 Laurel Canyon Blvd. North Hollywood

## Racists' Discussed

"Black Power" was the subject of this semester's first Student Forum, held Monday at noon on the grass south of the Cafeteria.

Tom Paterson, sophomore and member of the Debate Team, opened the forum by saying that "Black Power" could be a means for Negroes to gain equality.

He said that the Congress of Racial Equality approves of the concept of "Black Power" and quoted its di-"The New Math Movement" at 11 rector, Floyd B. McKissich as saying, "As long as white man has all the Dr. Diamond, currently chairman power and money, nothing will happen because we have nothing. The only way to achieve meaningful change is to take power."

Paterson then pointed out that the National Association for the Advancement of Colored People rejects "Black Power" and said that its director, Roy Wilkens terms the concept anti-white power, separatism, "a reverse Mississippi, a reverse

He also quoted Stokely Carmichael's statement in an issue of Time Magazine that "Negroes can no more join the Democratic party of George Wallace than Jews could join the Nazi party of Adolf Hitler."

experience will appreciate his pres- chairman of the Speech Club, stated, "The Ku Klux Klan is the cause of polarization in our society. He said a conflict of words and ideas is harmful and the polarizing doesn't do our society any good.

He pointed out that Negro life in the South was broken up during and after the Civil War and Negroes weren't prepared to go into society.

should be second-year students, but

it is not necessary that they be

The presentation will be open to

all Valley students and all are en-

couraged to attend by the Valley

Mathematics Department, which is

sponsoring Dr. Diamond.

## JOSEPH A. LABOK Labok Opens **Study Series**

Micro-electronics, what they are and where they are going, will be the first lecture of the six physics seminars to be held at 11 a.m. today in

Joseph A. Labok, assistant professor of physics, will conduct the lecture based around the development and application in the field of microelectronics. The first in the series will deal mainly with the evolution of the transistor and how the requirement for compactness and simplicity led to the development of the integrated circuit.

Development of the integrated circuit, its technology and application will be the second topic of discussion. Slides and demonstrations will also be a part of the lectures,

There will also be guest speakers from industry who will speak about the design and application of various equipment in the field of science and The last two or three of the series

will deal with incorporating the integrated circuit in computer application. Also the evolution of the thin film and its use will be described.

In the last lecture of the series the use of the integrated circuit and the thin film in hybrid form will be explained.

## Monarchs Upset Cerritos, Pierce for Tourney Crown

By GILBERT E. NELSEN **Sports Editor** 

A revenge-minded Monarch nine championship game last weekend to clinch the title in Santa Maria's third 12-8, in 11 innings. annual Hancock Tournament.

Pounding out 11 hits, including a

championship game by downing Hancock College last Wednesday and edging last year's state champion, Cerritos College, in second round

end the Falcons' unbelievable 45game win streak with a 2-1 victory. 3-1, before Cicotti brought in fast-Pierce set the stage for the chamswept past Pierce's Brahmas in the pionship game by crushing the Falcons in their second game of the day,

After a delay in the "big" game because of wet grounds from the rain home run and two doubles, Valley's the night before, the Monarchs drewbaseballers defeated Pierce, 8-3, in first blood in the second inning with the tourney's final game last Satur- a single run behind the pitching of southpaw Tom McElroy.

Coach Bruno Cicotti relieved the tired McElroy in the fifth inning with Keith Terry, who had seen limited service since the season began three

The Brahmas didn't waste any Monarch righthander Jim South- time with Terry as they collected two worth pitched 10 brilliant innings to walks, a home run and a single to

archs out of the inning but went on to strike out 12 batters in his five inning relief stint while allowing only a single hit and walk.

Meanwhile the Monarchs rallied in the fifth inning to score four runs behind the hitting of Dave Conway and John Landtiser.

Kim Meyer walked to start the inning but was forced at second on Bob Fusano's grounder to third base.

Conway, who went 7-for-12 in the tournament and four-for-five in the final contest, blistered a double to the right-center field wall to score Fu-

Outfielder Don Epstein hit the first pitch to Pierce's shortstop Kevin Springer, who bobbled the grounder for an error to put runners at first

Pierce coach Bill Ford went to the oullpen and brought in Joe English to try to stop the scoring attack.

English, however, was initiated with a ground ball single to center by John Landtiser, which scored Conway with the tying run.

A single to right by third baseman Rocky Raffa along with an error allowed two more runs to score to put the game on ice for the Monarchs,

Valley scored three more times in the sixth on a three-run home run by Conway to wrap up the game for

Pierce scored their runs in the top half of the fifth on back-to-back walks to pitcher Bob Johnson and secondbaseman Bob Brown and a booming home run to right-centerfield by little Steve Archer.

Swanson came in to save the game after Ron Spence singled off Terry's

Cerritos' Falcons got even with the Monarchs Tuesday by squeaking out a 5-4 victory in the league opener at

Southworth suffered his first loss ever in college ball as the result of five unearned runs in the second

The Falcons used three pitchers to stop the Monarchs, including Bill Gillian, Wayne Sinclair and Jim

Dave Conway was once again the big slugger for Valley as he banged three hits in five trips to the plate. Bob Fusano also collected a pair of

Conway, who was named the Hancock Tournament's most valuable player, is the Monarchs' hottest hitter (Continued on pg. 5, col. 4)

## Intramural Basketball Continues

son has ended, the sport is still quite evident on campus. It is now taking the form of intramural basketball, which began last Thursday.

Nine teams comprise the intramural league which plays its games on Tuesdays and Thursdays at 11 a.m. in the Men's and Women's Gym. This year's season will consist of a single round-robin elimination tour-

Last Thursday four games were played with one team, The Boys, drawing a bye.

The highest score was run up by the Swisher-Colts, as they defeated the Laughing Stock, 62-38. This game was in sharp contrast to the Batmen-Nats contest which saw the latter squeeze out a 25-24 triumph.

In the other games the Chiefs trounced Follosco's Follies, 49-24, and Leapers Inc. beat the Powers, 57-48.

he made the score, 120-75, with 3:44

Blume's lay-up as the buzzer sounded looked like just another meaningless two points, but later proved to be important. While the Monarchs were rolling up 135 points, the Cerritos Falcons also scored 135 in crushing the El Camino Warriors, 135-93. It enabled the two teams to share the highest point total scored second half.

in the conference this season.

In a game played last Tuesday, the Long Beach Vikings, led by Cary Bailey, Mack Calvin and Trent Gaines, defeated the Monarchs, 108-92, at Long Beach. This talented trio combined for 64 points. The Monarchs led in the game by

utes of play, a feat rarely accomplished by other teams against Long Two minutes later Long Beach tied the game and before the half ended they had a 13-point lead, 53-40. Don,

scoring 15 points in the first half. Long Beach maintained a 10-15 point lead throughout most of the

Squad Hopes To Get On Track in Opener

East Los Angeles Relays, the Valley spikesters will host the Renegades of Bakersfield in tomorrow's league opener. Action gets under way at

After a practice meet loss to Los Angeles City College last week by the but they were disqualified when minimal margin of a single point, the Lions will try to get on the winning "track" as they start their bid

for a conference championship. Bakersfield, which has its own thoughts of a championship, will display a strong and established team, which finished second to Long Beach

If the early season relay held at

East Los Angeles is any indication, Long Beach and Bakersfield will prove to be the main obstacles on Valley's pennant course. Valley was able to capture only one

first place finish while seeing many of its previous meet records fall. The meet, which was scored on the combined efforts of the top three men in each event, was the 18th annual East LA Relay commencing the season. Long Jump Victory

Charlie Robinson, Preston Hannibal and Ed Hector combined their efforts in the long jump to give Val-

ley its only blue ribbon of the day. In the high jump the combined talents of Hector, Ron Leninger and Mary Montgomery wrought enough altitude to capture second place while Long Beach was setting a new meet

record established by Valley in 1963. With Robinson and Hector vying in the triple jump, the Lions were pushed to the third spot behind East LA and Long Beach. In the other field events, the shot put and the discus, it appears that a little more "muscle" is needed, as evidenced by a sixth and fifth place finishes, re-

The team of Greg Tropea, Don Couser, Lee Shalon and Ron Couser swept to a second place finish in the 880 relay, while East LA was nipping its previous meet record by one-tenth of a second. In the 440 relay the foursome of Curt Maxey, Don Couser, Ron Couser and Tropea finished a close third behind East LA and Long

Record Mile Relay

The mile relay saw Terry Cheaver, Frank Tepper, Ron Couser and Dave

Following a fifth place finish in the Leggett post a non-winning meet record time of 3:18.5 only for Cerritos to hit the tape in 3:18 flat.

In the shuttle hurdle relay the Valley quartet of Montgomery, Mike McFarlin, Greg Kolstad and Steve Appleby turned in a third place time, someone missed a hurdle.

A fifth place finish came at the hands of Tepper, Joe Santa Cruz, Jeff King and Leggett in the distance medley relay with a time of 10:38.1, a full 18 seconds behind the recordbreaking meet time of Santa Monica.

Valley's lowest finish came in the two-mile relay, where the team of Jerry Ussery, Dave Borenstein, Leggett and Cheaver finished a distant seventh behind Cerritos. Cerritos edged out Valley for fourth place by

LACC Practice Meet

Against LACC, a few days before the relays, impressive wins were turned in by Montgomery in the highs and Kolstad in the lows, so the hurdles appear to be a solid event for the Monarchs. Robinson in the long jump also grabbed a first place finish, and along with Hector and Hannibal will provide a good deal of points in the meets to come.

All the events have a surprise or two in them, as many of the athletes are just now rounding into competition form. It looks as if Valley will have a strong representative in the rugged Metropolitan Conference this

Cagers Drop Bomb on Rio Hondo To Establish Record in League Firnale

**Associate Sports Editor** 

Closing out the season with a flour- to go. ish, Valley College's record-smashing basketball team added three more school records to its total as they romped over an outclassed Rio Hondo five, 135-89, last Friday.

Setting records is usually a rare occurrence, but this year's team has made a habit of it lately. Records established in this game were:

The 135 points exceeded the 119 points scored by the 1964-1965 team against El Camino.

The 224 points for both teams surpassed the 218 total set in an earlier game with Long Beach this year, won

by the Vikings, 116-102. An overall season average of 97.9 for 31 games topped the 86.7 scoring average of last year's team, along with the league average of 100.3

points per game. Despite this tremendous scoring outburst, the scoring was pretty well spread out as Coach Dan Means substituted his 12-man squad freely. Seven players reached double figures and every player scored five or more

Leading scorer for the Monarchs was a third-string guard, Vern Maxam, who connected on eight of nine field goal attempts for a season high

Valley jumped out in front early and had command of the game all the way. Near the midway point of the first half, the Monarchs led, 29-16, when Coach Means replaced his entire first team. Even this move didn't help the Roadrunners' cause, as the Valley substitutes maintained the 13-point lead, 39-26, with  $6\frac{1}{2}$ minutes left in the half.

At this point, behind the scoring of John Blume, Larry Cantor and Maxam, the Monarchs outscored Rio Hondo, 23-1, in the next five minutes of action to lead, 62-27. The half ended with the score 68-34.

With the first team back in at the start of the second half, the Monarchs stretched their lead to 87-42 after five minutes of play. Then Valley's talented substitutes re-entered the game and with 10:15 left, a jump shot and subsequent free throw by Larry Cantor made the score, 100-55. It marked the 10th time this season that the Monarchs topped the century mark in scoring.

Richard Reid's 20-ft. jump shot

## **CAquamen** (p Face

long trek to Bakersfield tomorrow to meet the Renegades in the opening Metropolitan Conference contest of

Valley's swimmers, battling uphill all the way, got caught on the wrong end of an 82-22 score in their recent meet with the University of Califor-

Irvine, with a fine team dominated by members of their championship water polo team, forced Valley to swallow a lot of water from the wake of their sprinting swimmers.

However, Valley's "sure-bet" performer, diver Rusty McCarthy, once again displayed his near flawless execution and consistency off the board and took the diving competition

### Two Close Events

The big school with the sciencefiction-like architecture and landscaping took every event but one and was forced to fight for only two. Don McKenzie, the Monarchs' fine breaststroke specialist, stayed with Bill Stys of Irvine throughout the 200-yard breaststroke before finally giving way on the last lap.

The 200-yard butterfly was a similar struggle, Doug Meyn of Valley hugging the fast pace set by the Anteaters' Pat Glasgow. Meyn eventually won when Glasgow, one of Irvine's two water polo All-Americans, used an impromptu breaststroke the last two yards upon deciding the sweeping butterfly would carry him headfirst into the end of the pool. The judge spotted it and upon Glasgow's disqualification, the close-finishing Meyn yas awarded first place.

It should be noted that the win two weeks ago over UC Santa Barbara was a hieved over the frosh team, their varsity unable to compete due to a school rule, and last week's drubbing was against the varsity of UC Irvine.

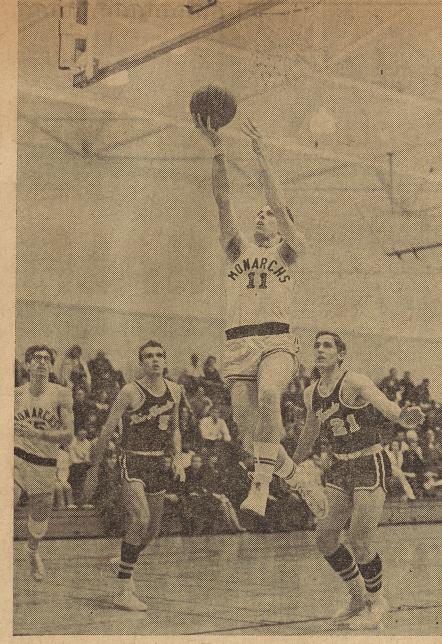

The scholarship-laden Anteaters finished one-two in almost every event, but this meet actually means little and was merely a tune-up for the real battle: the conference opener against Bakersfield tomorrow, and the Southern California Junior College Helays, which were held yester-

### Bakersfield Next Foe

Bakersfield, strong in 1966, is, Coach Mike Wiley says, "considerably weaker this year," and a win would not surprise anyone concerned. As for the relays, in the last five years Valley has won three times, and the Lions' worst finish was a close third.

On Saturday, an important sidelight occurs at the Irvine Invitational reached the 18th green. Diving Championships. Forty-five givers will compete, and the favorite should be McCarthy. No one has even ome close to the barrel-chested oringer so far, and the defending tate Junior College Champion should be pushed to his potential for the first time this season.

team is "coming along very quickly," is anxiously awaiting tomorrow's retrue level: junior college competition. 27-27 tie.

TWO MORE - Valley's Don Terpstra drives in past Rio Hondo defenders Bob Ballou (5) and Earl Bradley (21) for easy lay-up as Clay Dluehosh (45) looks on. Terpstra was one of seven players to reach double figures by scoring 14 points as the Monarchs crushed Rio -Valley Star photo by Joel Lugavere

Golf Course.

Ken Kay sank a 10-foot putt on the final hole of Valley's first conference match Monday to upset the favored El Camino Warriors 30-24 at the Palos Verdes Golf Club.

Once again the third team carried the brunt of pressure as the first team of Brian Seelos and Ron Osborn lost all 18 points to the sub-80 shooters from El Camino.

Second team partners of Corky Bassler and Larry Pughe rallied on the back nine to sweep all 18 points for the Monarchs. The match was tied before Key and his partner had

Ross Manarchy and Kay almost had to play by torchlight because of finishing after 6 p.m. But they did finish, and it proved to be one of the best performances by Kay, according to golf Coach Charles Mann.

Kay shot identical nines of 40 for an 80. He also scored the most bird-Last week was a long bye for the ies for a single player, two, in Monswimmers, but Wiley, who says his day's encounter. Manarchy, not playing up to his expectations, shot a 44-46, 90. Without Kay's crucial putt, tough, wait until you meet the ELAC turn to what is, after all, the team's the match would have resulted in a

## Fencers Walk Off With Three Medals

place finish, Valley's women fencing ished second in sabre, besting Long artists still managed to walk off with Beach State 5-4 and UC Riverside the overall competition while also winning three medals, two gold and second teams by scores of 5-2 and a bronze, at the Inter-Collegiate 5-4, respectively. Composing the sa-Fencing Conference of Southern Calinomia at Valley State last weekend. Rudy Martinez. the IFCSC is a new league with

tum, as its president.

imio

Schools entered in this fourth meeting besides Valley, were UC Riverside, UC Santa Barbara, Valley State, Pomona College and Cal. State

Headed by Captain Christine Patrick. Valley's entry composed of Barbara Barnett, Revital Carmeli and Paula Kellow just nosed out Valley State to take the overall trophy, which is to be awarded at a future

### Captured 17 Medals

The UCLA Invitational Tournament held Feb. 18-19 saw Maestro Tatum's fencers capture 17 medals while finishing second. Two of the 17 medals were first place gold ones and were won by Ed Lester, who took a first place in individual epee competition, and Jack Beyer, who also placed first, but in individual foil. The medals were awarded by the Helms Ath-

The tournament, which lasted for two days of "exhausting competition," saw such schools as UCLA, UC finals, earning a fifth place. In indi-Riverside, Cal. State Long Beach, vidual sabre, John "Flash" Phillips USC, University of Arizona, Stanford and Pomona College all represented.

### Females Equal Males

Equaling their male counterparts, the women's foil team, composed of Christine Patrick, Revital Carmeli and Paula Kellow, defeated teams from Stanford 5-0, and Long Beach

Advancing to the finals in the women's individual foil, Carmeli finished ninth out of a field of 26.

"We could have done better," commented Tatum, who went on to say, "we will do better at the Western Inter-Collegiates." The WIC's will be held at Stanford University at Palo Alto and will pit Valley against some of the top fencing material in the west. "We'll be running into strong Berkeley and Air Force teams, but we'll be ready for them," Tatum confidently said.

Individual competition found Duane Oshinomi advancing into the epee got as far as the preliminaries before being eliminated in the semi-finals Overall competition found Valley by a 3-1 score. Along with Phillips, finishing with 50 points behind UC- Bill Anderson also advanced as far as the semi-finals before being elim-

### Netmen Crush USC Frosh By BOB KRAYL **Associate Sports Editor** Led by Jim Rombeau's victory over Steve Avoyer, Valley College's tennis squad came through with an impres-

sive 5-4 victory over a strong USC Valley's ace, Jim Rombeau, ranked

No. 2, stole the spotlight away from USC's Steve Avoyer, ranked No. 1 among 18-year-olds in the nation.

Rombeau may be No. 2, but he tried harder as he downed Avoyer in straight sets, 6-3, 6-1.

It was a shaky beginning for Rombeau as he lost the first game with poor serving. Avoyer, who possesses a very fast serve, easily took the next game to go two games up, 2-0.

Many of the approximately 200 spectators were amazed at the speed and power of Avoyer's serve and it looked like a long afternoon ahead for Rombeau.

But now the tide began to swing in Rombeau's favor with the opening of the fifth game. After falling behind, 0-30, Rombeau rallied to hold his serve and win the game. In the sixth game, Rombeau broke through Avoyer's serve to knot the score at

It was all Rombeau from here on at Bakersfield. out as he broke Avoyer's service again in the eight game while holding his in the seventh and ninth games to win the set, 6-3.

Rombeau Aces Avoyer as

Avoyer continued to have difficulties with his net game while allowing Rombeau to completely dominate the play. Rombeau began getting more consistent with his serve and went on to easily win the second set. 6-1.

Although Rombeau and Avoyer were the main attraction of the spectators, USC's Tom Leonard turned in the day's best performance as he defeated Valley's Ray Blagoff, 6-1, 6-0, in the singles and later teamed up with Avoyer to crush Rombeau-Blagoff in the doubles, 6-2, 6-1.

The three other singles victories for Valley were turned in by Dave Engelberg, Larry Leeb and Frans Hoogland. In addition to Leonard's win, USC's other singles victory came when Gary Tarna defeated Erwin Wolf, 6-3, 4-6, 6-2.

Coach Al Hunt's squad will be at home tomorrow to battle with the Rio Hondo Roadrunners in the second conference match of the season.

In Friday's match with Rio Hondo. Valley will be playing without the services of its top two players, Rombeau and Blagoff. Rombeau will be playing in the Pacific Coast championships while Blagoff will be taking an NROTC exam.

The squad will travel to Cerritos Wednesday to tangle with the Falcons before returning home next Friday for its showdown battle with

Coach Hunt believes that Santa Monica will provide his team with its strongest test as Valley attempts to cop its second straight Metropolitan Conference championship.

## Nutshell Description of Life Characterizes 'Greasepaint'

Fine Arts Editor

"The Roar of the Greasepaint" is a play which attempts to describe the game of life complete with rules, rewards and penalties in somewhat of

Characters reeking of symbolism and social comment deliver soap-box soliloquies amidst prancing urchins and an obvious caste struggle.

Valley's Theater Arts Department is currently offering its interpretation of the Broadway musical written by Anthony Newley and Leslie Bricusse.

This production is the result of unconcealed sincerity and concentrated hard work. The combined efforts of the many talented persons who contributed to the show have made "Greasepaint" an entertaining and worthwhile evening.

Portraying Sir, an impeccable master of one-up-manship who never loses the game (because he makes up the rules), is Robin Bach. He sings and he dances and maintains his fantacized character quite well.

burden, the common man in the and Deanna Reavill. character of Cocky. Cocky never wins

West, who also sings and dances, is warm and appealing as the pathetic underdog. As Cocky, he is stepped on repeatedly by Sir, though faith keeps him returning for more.

Kid, the constant companion and aide of Sir, is played by Paula Sue Levine. She is a talented and dynamic actress with a good voice and potent personality.

Linda Bennett, the dream girl; Hector Moreno, the Negro; and Bill Tepper, the bully, play small parts designed to enhance the symbolism being exploited in the scenes in which

Throughout the play, a chorus of internationally costumed urchins are scattered about the stage, participating in the songs. They are Stephanis Salim, Jan Cic. Osa Danam, Stephanie Dubov, Christy Beal, Cathy

"Greasepaint" was directed by E. the game because Sir won't allow P. Mauk, and the 15-piece orchestra comprised of members of the TA Department was conducted by Parker
